I like museums is full of ideas for fantastic days out in North East England.

We've compiled a collection of trails around more than 80 of the region's museums, taking in some of the experiences we hope you'll like.

The trails are not fixed or time specific, you can choose which venues you visit, in what order and when.

If you liked this trail you might also enjoy:

'I like... big stuff'

'I like... doing things as a family'

Pick up another trail leaflet at a museum or visit www.ilikemuseums.com for more trails and ideas. You can also create your own trail and share the things you like with other people and then get their feedback.

When you see the star next to an entry in the list this means the museum is especially good fun!

Win!

Create your own trail of things you like and you could win an iPod. Go to our website www.ilikemuseums.com for more information.

Closing date 9 September. Terms and conditions apply.

I like museums is a partnership project between the North East Regional Museums Hub and MLA North East. It is funded through Renaissance.
